

## **BUILDING BETTER BUSINESS**

### A PRACTICE AND LAW SEMINAR FOR THE CONSTRUCTION TRADE

Webb Ross Lawyers are hosting an informative but casual seminar focusing on a range of legal and practical topics in the construction trade. A range of experts will be in attendance to speak on areas of particular interest to people in the construction trade. The matters to be discussed will enhance your knowledge and skills and assist you to build a better business. This is the ideal opportunity to upskill and add value to your business. If you are a part of the construction industry, you cannot afford to miss this informative and topical seminar.

Topics which will be covered include:

- Construction Contracts Act – getting the best out of the claims process
- Business development and structure
- Employment matters – changes that affect you as an employer
- Changes to the Building Act
- Business health – what do you need to prosper?
- Leaky homes update
- Building Management
